

# Brisbane Zero Veterans Cohort Strategy

January - December 2025 Snapshot

Brisbane Zero believes that homelessness is not a way of life. This strategy brings together partners in the local community to prevent, reduce and end homelessness for Veterans experiencing homelessness in Brisbane. While this strategy is still progressing toward improved data capture, we would like to share the outcomes achieved this year.

**24** Veterans experiencing homelessness on the By-Name List during the year

**20** Individual Adults

**4** First Head of Household
